Instructions

1. Print out and color the donkey templates. (Template)

2. Cut out the donkey and glue both sides together.

3. Paint/color two clothespins gray.

4. Then paint the bottom of the clothes pins black for the hooves

5. Using small pieces of black string, glue them onto the mane and the tail of the donkey. Cut off any excess string.

6. Add the clothes pins to the finished body of the donkey.
