

THIS WEEK I LEARNT

that Jesus grew up into a man and chose to do his Father's will of teaching the people and healing the sick.

MEMORY VERSE:

'This is my Son , whom I love; with him I am well pleased.'

Matthew 3 :17

QUESTIONS TO ASK:

Who gave Jesus the power to heal and do miracles ?

FAMILY FUN:

Have a look at the video Uncle Rob has prepared and see what tools and projects Jesus may have made with Joseph in his work room . Remember Joseph was a carpenter . A carpenter is someone who make things and build houses . Maybe you can make something with mum or dad out of icypole sticks or paper or straws. I have downloaded a project if you would like to make this aeroplane with icypole sticks . Jesus also grew up to heal and preach too.
